Dear colleague

The 16th World Congress of Basic and Clinical Pharmacology (WorldPharma2010), Copenhagen, 17-23 July 2010

As previously announced, this World congress will be held in Copenhagen next year. WorldPharma 2010 will provide in-depth treatment of the hottest topics in basic and clinical pharmacology. There are 18 two or three day focused conferences, 26 plenary lectures, 25 workshops, poster sessions, satellites and more besides. The full programme of 500 invited and confirmed top international speakers may be viewed on www.worldpharma2010.org. Sam Enna, Secretary General of IUPHAR, has described the programme as truly "*the most comprehensive and interdisciplinary in the history of IUPHAR congresses*".

The deadline for submission of abstracts is 15 January.

The homepage is also now open for hotel booking. Early booking is advised.

The World's pharmacologists will all be meeting in Denmark 17– 23 July 2010, using the same congress centre that is about to be used for the Climate Change Conference in December 2009.

Don't miss out on WorldPharma 2010! We promise you a scientifically rewarding experience as well as the opportunity to savour the atmosphere of Copenhagen.
